- Specialized in support for students with disabilities

STUDY NORTH... REAL RESULTS.

KEY PERFORMANCE INDICATORS (KPI) RELEASED APRIL 20, 2016

Since 1998, colleges have been mandated by the Ontario government to collect and report performance data in five areas. Study North colleges have great results year after year, and most are above the provincial / Ontario average:

HOW TO APPLY TO COLLEGE AND KEY DATES

Go to www.ontariocolleges.ca and follow their simple instructions to apply and ensure one or all of the Study North colleges are on your list!

- EARLY OCTOBER 2016 Online Application Opens
- NOVEMBER 21, 2016 Colleges Begin Receiving Applications
- FEBRUARY 1, 2017 Equal Consideration Date
- FEBRUARY 1, 2017 Earliest Offers Issued
- MAY 1, 2017 Deadline to Confirm Offers of Admission
- JUNE 15, 2017 Earliest Tuition Due Date

FAQS

What programs do you offer?

A The Study North colleges offer excellent and unique program choices. You can view the full list of programs that are offered through the Study North colleges on pages 6 and 7, or visit the individual college websites for detailed information on a specific program.

What do I need to get into a specific program?

A Admission requirements vary between specific colleges and programs. In most cases, an Ontario Secondary School Diploma (OSSD) or equivalent is required. Graduate Certificate programs require a prior college or university certificate, diploma or degree for admission. In addition, colleges may establish program-specific admission requirements. Visit the colleges' websites to learn more about what is required for the program you would like to take.

Do these colleges have agreements with other colleges and universities?

A All of the Study North colleges have negotiated a number of partnerships which allow students to utilize their credits for direct admission to programs at other colleges and universities. To view a list of transfer agreements, visit the individual school websites as there are many to choose from!

How/when can I apply?

A To apply to a Study North college, you must complete an application form through ontariocolleges.ca. If you are currently enrolled in an Ontario secondary school contact your guidance counsellor for help with your application.

There is an application fee of \$95, and you must provide an official transcript. You can select up to five program choices, with no more than three program choices at any one college.

You can send in your applications starting in October, but be sure to have them in before February 1st for equal consideration!

How do I get there?

A Though the colleges are located in five different cities in Northern Ontario, they are all accessible by bus or plane. You can also reach Sudbury by train with Via Rail. See our map on the back page to get an idea of where our colleges are located!

If you would like to tour one of our colleges and are travelling from somewhere outside of Northern Ontario, register for our **Study North Travel Incentives** on our website www.studynorth.ca/rebates and you could be eligible for a **\$500** rebate!

What is there to do in Northern Ontario?

A Northern Ontario is well known for its beautiful outdoors, which might even be a part of the program you want to take! Be sure to get out there and hike the trails, swim in the lakes, ski or snowboard down the hills, and take in the view of some of the most magnificent scenery in Canada.

If you're not into that, there are lots of local attractions to visit and activities to take part in such as music festivals, restaurants, bars, parks, beaches, wineries, microbreweries and more!

You will also get to know your college during Orientation Week, so make sure to register as it is a great opportunity to learn about your campus, meet new people and explore the city!

Are there any scholarships/bursaries?

A Yes! Each college offers its own scholarships and bursaries. Check out the colleges' websites to see what you qualify for!

In addition, **Study North** offers a **\$1,000 Entrance Incentive** to a limited number of students who choose to go to Northern Ontario for college! Visit our website to register!

What are the residences like?

A Residence offers everything you need to make your college experience an enjoyable and safe time. All rooms come fully furnished with internet access, have access to laundry facilities, kitchens and common areas. There is also the option for a single room in an apartment style suite at all of the colleges. For more information on residence, visit the colleges' websites.

Is it easy for me to get to class?

A Yes! Most of the residence buildings are just steps away from the college so you can sleep in and still make it to class on time!

DREAM. DO.

Confederation College is more than just another post-secondary institution; the multiple campuses are a culturally diverse and close-knit community of individuals. The College's main campus is situated on 130 acres of park-like property located right in the heart of the city of Thunder Bay, Ontario. With beautifully treed grounds, a shallow, twisting river and a network of walking paths, it is in a country-like setting.

Along with its main campus in Thunder Bay, Confederation College has eight regional campuses located in the communities of Dryden, Fort Frances, Kenora, Geraldton, Marathon, Red Lake, Sioux Lookout and Wawa.

Confederation delivers exceptional education and training to an average of over 7,600 combined full and part-time students per year.

RESIDENCE

Confederation College's residence offers everything you need to make your College experience an enjoyable and safe time. Enjoy the convenience of being steps away from class with access to city wide transit, available directly on Campus. With a number of different room options, tons of awesome amenities, weekly social events and a comfortable environment, residence can quickly become the focal point of your social life at Confederation as you meet new people and create lifelong friendships.

New to Confederation College are two fully furnished, apartment style residences. Apartments include four bedrooms per unit, common kitchen and living room with LCD flat screen, cable and internet access, en suite laundry and much more.

Sibley Hall is a community oriented, fully staffed, co-ed residence facility with availability for 229 students in two different rooming options. Rooms come fully furnished and features include: on site laundry, games hall, large activity room, ATM in lobby, 24 hours video monitoring, high speed internet and so much more. Visit: confederationrez.ca for details.

FINANCIAL ASSISTANCE

Confederation College provides financial support to students to assist with their educational costs.

- Scholarships, Awards & Bursaries
- Ontario Tuition Grant
- OSAP

In 2015/16 Student Awards exceeded \$400,000. In 2017, Confederation College will be awarding approximately \$200,000 in entrance awards to first-year students!

STUDENT SERVICES

From application through to graduation, Confederation College student support services are there to help you every step of the way. Confederation supports students with a wide variety of effective services including:

- Student Success Centre
- Counselling
- Accessibility & Accommodation
- Academic Advising
- Academic Support Centre
- Registration Services
- Campus Employment Opportunities
- Fitness Centre
- Health Centre
- Health Plan
- Paterson Library Commons
- Bookstore
- Daycare

ABOUT THE COMMUNITY

Situated on the north shore of Lake Superior – the world’s largest freshwater lake – Thunder Bay is one of the most dynamic cities in northwestern Ontario, offering an exciting mix of urban and active lifestyles. Enjoy all the conveniences of city living with easy access to some of Canada’s most epic natural surroundings.

With a population of over 108,000, Thunder Bay is a four season paradise that offers year-round indoor and outdoor activities. Residents and visitors of Thunder Bay enjoy the harmony of a city rich in wide-open green spaces, parks and wilderness – and a major centre for visual and performing arts, and culture. Balancing Indigenous traditions and a multitude of European influences, Thunder Bay is a hub for cultural celebration in the north.

Thunder Bay is northwestern Ontario’s leading retail, entertainment and cultural hub. From mall shopping, big box stores and small independent boutiques, to concerts, festivals, sporting events and more – Thunder Bay’s thriving arts and entertainment scene, lively restaurants and vibrant nightlife has plenty to keep you entertained.

Must-Sees

- The Sleeping Giant – a natural rock peninsula that forms Thunder Bay and is home to numerous wildlife, a boreal forest and incredible views.
- Terry Fox Monument – A 9 foot high bronze statue that was erected near the site where his Marathon of Hope ended, and which commands a breath-taking view of Lake Superior.
- Fort William Historical Park – the world’s largest reconstructed fur trade post demonstrating life as it was over 200 years ago.
- Eagle Canyon Suspension Bridge – a thrilling suspension bridge, extending 600 feet across and rising 152 feet above the canyon floor.
- Kakabeka Falls – a magnificent rush of water plunges 40 metres over rock and fossils to the rugged gorge below.
- Ouimet Canyon – lined by sheer rock face; follow the trails, stop at the observations decks and take in the breathtaking views.

INDIGENOUS STUDENT SERVICES

There are many opportunities to immerse yourself in your Indigenous culture and heritage while at Confederation College through a variety of traditional events and activities.

Indigenous Student Navigators can help guide you in your educational journey, including:

- Applying to college and for funding/financial aid
- Arranging for living accommodations and daycare
- Accessibility services and accommodations assistance
- Communication and connection to your home community
- Accessing local city services
- Personal counselling
- Academic advising and homework help

DISCOVER SAULT

Sault Ste. Marie, Ontario is centrally located at the heart of the Great Lakes on the international border to the United States and is about an 8 hour drive and a short 1 hour flight from Toronto.

Sault Ste. Marie (also known as “the Sault” or “the Soo”) is the third largest city in Northern Ontario, with a population of approximately 75,000.

Students travel to Sault College from around the province to enroll in many well-regarded academic programs known for their excellence and strength in career preparation. Being located on a border to the United States and strong partnerships with LSSU, an American university nearby, lends itself to international opportunities in law enforcement, justice studies, business, health care, and a host of other programs with affordable transfer agreements.

Advancements in robotics, GIS technologies, and state-of-the-art Nursing and Aviation simulators all combine to create a superior learning experience. Natural environment programs involve field camp at the beginning of the semester, with students experiencing the heart of the Great Lakes-St. Lawrence mixed forest with ready access to the boreal forest to the north, along with the spectacular Lake Superior region.

RESIDENCE

Ray Lawson Hall, the on-campus residence at Sault College, is a great place for first year students to transition to college life. Residents will benefit from the convenience of being only a few steps away from classes and meal service providers. With single and double room options, Ray Lawson Hall has what you're looking for.

Additional amenities include:

- Three laundry and kitchen facilities, one on each floor
- A common area on every floor with couches, a flat screen TV and DVD player
- Storage lockers available for rental on a first-come, first-serve basis
- Short walking distance to shopping and Restaurants
- Programming including movie nights, bus trips to local attractions, OHL Hockey games, and much more!

Additional services included in fees:

- High-speed internet and wireless internet in common areas
- Local telephone service
- Full cable
- Unlimited use of laundry facilities

FINANCIAL AID

Sault College's Student Financial Assistance team is there to help you. They administer the Ontario Student Assistance Program, Scholarships, Bursaries & Awards, Entrance Awards and the Student Exceptional Expense Bursaries.

The Student Financial Assistance Office Offers:

- Assistance to students applying for OSAP (Ontario Student Assistance Program)
- \$1.8 million dollars given to students every year in Scholarships, Bursaries and Awards
- Bursaries for Student with Disabilities
- Student Exceptional Expense Bursaries
- Part-time Canada Student Loans and Special Opportunity Grants for Low Income Students
- Budget Planning, and more

STUDENT SERVICES

- Bookstore located on campus
- Employment Services, students can conveniently access in one location computers, printing, interview rooms and assistance, and duplicating services. Information on on-campus and local jobs is also available in early September.
- The Sault College Health and Wellness Centre offers a fully functional fitness space featuring state of the art equipment, that has all of your recreation and wellness needs covered.
- Amenities within the brand-new Fitness Centre
- The Native Student Counsellors provide social, academic and personal guidance to those who request their assistance. The counsellors work closely with other staff and faculty and the Native Student Council, as well as liaise with First Nations and various organizations/agencies.
- We have numerous varsity sports available.

“Coming to Sault College was one of the best decisions I ever made. I took the Public Relations and Event Management program which really helped shaped my career path. The program exposed me to a lot of events and public relations projects that I never knew I could handle while I was still a student at the college. This culminated in me being named the Canadian Public Relations Society student excellence award winner in May 2016”

Ife Akintunde

INDIGENOUS EDUCATION & TRAINING

Sault College is a key provider of post-secondary education for Indigenous communities across the province respecting and recognizing that Indigenous people have distinct cultures, languages, histories and contemporary perspectives. Indigenous education strengthens Sault College’s contribution to improving the lives of learners and communities and for years has led the way with specialized Indigenous focused initiatives.

Our Native Education department strives to provide timely, culturally appropriate service to students which fosters an “extended family” like environment of inclusion, equitable treatment and mutual respects. As an interconnected community, Native Education consults and partners with First Nations, organizations and Native student government to ensure that the services we provide are best meeting our learners needs. Dedicated to providing Indigenous students with support from the time they consider applying until the time they graduate, Native Education at Sault College offers a unique learning environment which embraces language, culture and traditions with an emphasis placed on student success strategies that will assist our learners in achieving excellence both academically and in their chosen career.

ABOUT THE COMMUNITY

Sault College is found in the middle of three of the magnificent Great Lakes, including the largest fresh water lake in the world, Lake Superior.

Sault Ste. Marie is the gateway to world-class outdoor spaces. The College is the only one in Ontario with its own boat and tennis club located along the beautiful St. Mary’s River.

The Sault is also the perfect place for you to take part in a truly northern experience while learning at college. The city offers the very best in culinary delights, entertainment, arts and multi-cultural events all set amidst the incredible pristine shoreline of

Lake Superior and grandeur of Northern Ontario.

Outdoor activities abound! The College’s partnership with Searchmont Ski Hill gives **ALL full-time students of Sault College FREE ski passes** with access to the most diverse terrain, the longest runs (18 in total) and the greatest vertical (750 feet!) in the area. Also, check out the student deals on seasonal equipment rentals!

- Home of the Sault Greyhounds (OHL), with amazing restaurants, shopping, bands, and cultural activities there are always reasons to leave campus and explore and experience the community
- The new aviation centre and hangar is located at the Sault Ste. Marie airport, and the main campus is a twenty-minute drive from the airport.

GROW WITH US

Northern College has four campuses located throughout northeastern Ontario. Northern's largest campus is in Timmins, a thriving city with a population of just over 43,000. Timmins features the ultimate fusion of urban and rural living. The city offers most of the amenities you'd expect to find in an urban centre, including an assortment of athletics facilities, a multiplex cinema and even a symphony orchestra, all while keeping a small-town feel.

Northern also has campuses in Haileybury, Kirkland Lake and Moosonee. These communities are friendly, inclusive places that enable an incredible quality of life. All of Northern's campuses provide easy access to the unlimited adventure opportunities available in the vast northern playground.

In 2016, 1,890 full-time students attended Northern College. With over 75 full-time, part-time, certificate, diploma, and apprenticeship programs and hundreds of in-class, web-based, and correspondence courses, you are sure to find exactly what you are looking for.

RESIDENCE

The Haileybury Campus features Northern's latest brand-new on-campus residence. The residence includes 16 apartment-style units, each of which houses four students. Each apartment includes a kitchen, living area, laundry facilities and two bathrooms.

The Timmins Campus features an on-campus residence that offers safety, convenience and affordability. The residence has 103 single rooms, 12 suites and four double rooms, each with an attached private bathroom. There is also a large common area, kitchen stations and on-site laundry facilities.

CAMPUSES

Students come from across Ontario to study in the modern Veterinary Sciences Centre at Northern's Haileybury Campus. The centre features a range of state-of-the-art labs equipped with the latest technologies, including an underwater treadmill used for the physical rehabilitation of animals.

The School of Welding Engineering Technology at the Kirkland Lake Campus has an international reputation as a leader in the field of welding education and training. The campus is also home to the Materials Joining Innovation Centre (MaJIC), an applied research facility that utilizes the latest welding technologies.

The Timmins Campus is home to Northern's Centre of Excellence for Trades and Technology, an expansive modern facility that includes an innovative multi-trade shop. The campus also features the Hydro One Energy Centre, which was established in partnership with the utility company through the Hydro One College Consortium.

FINANCIAL AID

Northern College provides a variety of financial aid to students including but not limited to:

- OSAP
- Scholarships
- Bursaries
- 30% Ontario Tuition Grant

"I feel the Northern College experience in general is very unique. For me coming from the city, I was very surprised and pleased by the facilities that we have here. Everything is very up-to-date and modern, and state-of-the-art technologies are used throughout all of our classes. Northern has given me a very different opportunity than just going to a college in the Greater Toronto Area."

*Chris Knap,
Veterinary Technician Student*

STUDENT SERVICES

Northern College is here to support your personal growth, well-being, and success. We will work with you to help you reach your full potential while ensuring that you enjoy everything the Northern experience has to offer.

Northern offers student success and learning resources, first year experience services, accessibility services, student advising, elders on campus, Northern College student association and benefits plan, bookstores, cafeterias and student lounges, peer tutoring, alumni association and international office.

ABOUT THE COMMUNITY

The Haileybury Campus is located in the City of Temiskaming Shores, which is a two-hour drive from Timmins. The Haileybury Campus began as the world renowned Haileybury School of Mines, which is now part of Northern College. Temiskaming Shores has a population of just over 10,000, and is located on the shores of picturesque 110-kilometer-long Lake Temiskaming.

Kirkland Lake is a town of just over 8,000 people that has a rich local culture. Kirkland Lake holds two major festivals each year that attract some of the finest musicians in Canada. Just imagine seeing some of your favourite artists like The Sheepdogs, The Tragically Hip or Simple Plan in a venue where even the back row feels up close and personal.

COLLÈGE BORÉAL
éducation • innovation • recherche

EDUCATION INNOVATION RESEARCH

Collège Boréal offers a large number of programs and services to students and to the general public. The Sudbury campus includes a resource centre, state-of-the-art laboratories, modern classrooms, a student learning centre, a sports centre, a daycare, a student lounge, a computer and audiovisual assistance centre, a residence, a concert hall, a studio, a pub and employment services, everything you need to succeed.

Collège Boréal offers programs in five schools of study:

- *École de l'environnement et des richesses naturelles / School of the Environment and Natural Resources*
- *École des métiers et des technologies appliquées / School of Trades and Applied Technology*
- *École des affaires et des services communautaires / School of Business and Community Services*
- *École des arts / School of Arts*
- *École des sciences de la santé / School of Health Sciences*

Collège Boréal provides high quality personalized education and services to a diversified clientele and contributes to the development and growth of all communities throughout the province. Since opening in 1995, over 13,000 students have graduated from Collège Boréal.

One of two French Language Colleges in Ontario!

RESIDENCE

Collège Boréal's residence is located in peaceful surroundings near a walking trail on the south side of the campus, just steps away from the cafeteria and student services. All suites feature separate bedrooms with a double bed, a closet, and a work desk. Each suite has its own private three piece bathroom and a kitchenette. Common spaces include a multipurpose sun-filled lounge for reading and relaxation, a modern kitchen, and a laundry room. Here, students can benefit from a pleasant and safe living environment at an affordable price while having access to a number of social activities, cultural events, and educational programs.

FINANCIAL AID

- Government Financial Aid
- OSAP
- Grants
- Bursaries

French Immersion doesn't stop after grade 12. Continuing your Postsecondary education in a French Collège is a possibility thus helping you stand out on the bilingual job market.

MON CHOIX, C'EST BORÉAL

STUDENT SERVICES

- A dedicated team of professionals is committed to offering you a wide range of services to facilitate student adaptation and integration. Individualized services are also available to ensure academic, personal, and professional success.
- Mentoring and tutoring services are available.
- Students have access to health services provided by a nurse practitioner.
- Our Employment Centre (*Centre d'emploi*) provides Collège Boréal students and graduates job search assistance and tools.
- Collège Boréal's dental hygiene clinic provides students with preventive treatments under the supervision of registered dental professionals at reasonable prices.
- We also offer a message therapy clinic.

ABOUT THE COMMUNITY

A great place to live, learn, and explore!

The City of Greater Sudbury is 3,267 square kilometres in area and contains 330 lakes. The city is home to approximately 160,000 people and is a multicultural and truly bilingual community. In the 2006 census, over 27 per cent of people living in Greater Sudbury reported French as their mother tongue and almost 39 per cent of people identified themselves as being bilingual. Greater Sudbury is also a cultural hub in Ontario and is frequently visited by nationally and internationally renowned artists. Greater Sudbury is a safe community and, in a recent study conducted by Statistics Canada, Sudbury residents are the happiest people in the country!

A Flourishing French Environment

The City of Greater Sudbury boasts a vibrant and active Francophone community and is home to several French organizations including *Théâtre du Nouvel-Ontario*, *La Nuit sur l'étang*, *Éditions Prise de parole*, *Radio-Canada*, *Le Voyageur*, *Le Loup-FM*, *ACFO du grand Sudbury*, *Centre de santé communautaire du Grand Sudbury*, and *Contact interculturel*.

IMAGINE A PLACE THAT CHANGES THE SHAPE OF YOUR FUTURE

Cambrian College graduates are career-ready. For two years in a row, employers have ranked Cambrian grads as the best in Ontario.

The College delivers 80+ career-focused programs and hundreds of courses to more than 4,000 full-time and 7,000 part-time students. It offers programming at three campuses and serves a student population that is reflective of the rich diversity of today's global workplaces. Cambrian boasts over 50,000 alumni making a difference in their communities worldwide.

Cambrian College is located in Sudbury, the largest city in northern Ontario that has a progressive and dynamic community of about 155,000.

You can look forward to:

- Degree pathways for every diploma and advanced diploma program, including many degree opportunities in Sudbury at Laurentian University
- Experiential learning opportunities that help you to build your co-curricular record
- Applied research opportunities that allow you to work alongside faculty and industry experts on industry projects
- Comprehensive student supports and services to assist you at every step of your journey

#imagineCambrian

RESIDENCE

Cambrian's residences are located on campus just steps away from classes and are home to up to 677 students each year. Cambrian offers two styles of residences – townhouse and dorm style – each of which offer you a private room with shared access to kitchen and social spaces.

Living and learning on campus gives you the opportunity to meet people from around the world and to take part in many events, all with the support of Residence Advisors who will help ensure you have an enjoyable and successful year at Cambrian.

Residences are also within walking distance to restaurants, shopping, grocery stores, nightlife – all the amenities you'll need to stay happy and healthy throughout the year.

FINANCIAL AID

In addition to OSAP, each year the Cambrian College Foundation distributes more than \$500,000 in scholarships and bursaries to Cambrian students. You can also help to cover your education costs by applying for on-campus jobs that are available year round.

STUDENT SERVICES

Cambrian offers comprehensive student supports and services to ensure you are successful throughout your journey.

- Free peer and online tutoring
- Student success advising
- Academic and personal counselling
- Disability and accessibility services through the Glenn Crombie Centre for Student Support
- Indigenous learner supports and services through the Wabnode Centre for Aboriginal Services
- Athletics centre
- Career centre
- 24-hour security
- Student health plan

ABOUT THE COMMUNITY

Sudbury is the largest city in northern Ontario, making it a hub for arts and culture, shopping, entertainment, health care, and industry. It's also home to 330 lakes, 200 kilometres of trails, and a ski hill and offers many other outdoor activities that can keep you active year round.

The city also prides itself on hosting a variety of annual events that are unique to the region, such as Cinéfest, Northern Lights Festival Boréal, and the Blueberry Festival. Home of the OHL's Sudbury Wolves, the city frequently plays host to provincial, national, and international sporting events.

So whether you like spending time in the great outdoors or urban living is more your style, Sudbury's got it all.

Miyah Simser, Music - Performance

GREAT THINGS HAPPEN HERE!

Canadore College is ideally situated in North Bay, Ontario – a short 3.5 hour drive from Toronto – close enough to home but far enough to be independent. The College is located in a small and safe city amidst a beautiful natural setting. There are three easily accessible campuses in the city – College Drive Campus, Commerce Court Campus and the Aviation Technology Campus – and a campus in Parry Sound.

Canadore is the college of choice for students from across the province and around the world. Canadore's focus is on student success, program and service excellence, connection to community, sustainability and innovation.

Canadore has over 65 full-time quality programs and has outstanding faculty and student services. The College boasts one of the highest graduation rates in Ontario, has over 43,000 alumni, and graduates approximately 1,000 students each year.

RESIDENCE

Canadore College has the newest residence complement in Ontario featuring three apartment-style complexes that accommodate 675 students. Residences provide single rooms within a 2- or 4-bedroom suite, allowing you to have your very own space.

Each residence offers: a full kitchen, cable television, telephone, mail service, internet, and access to public transportation and 24-hour laundry facilities.

FINANCIAL AID

There are various means of financial aid available at Canadore College, you may be eligible for:

- OSAP
- Entrance Awards
- Online Bursaries
- Discretionary Bursaries
- Emergency loans
- 30% Ontario Tuition Grant

STUDENT SERVICES

Students are top priority at Canadore College and are provided with many resources to support success including individualized learning strategy planning, assistive learning devices, career guidance, mental health and wellness initiatives, crisis and personal support, peer tutoring, a co-curricular program and more.

The First Peoples' Centre serves as a hub for Indigenous-centred cultural and spiritual activities.

ABOUT NORTH BAY

In the City of North Bay you can enjoy great restaurants, movies, Ontario Hockey League games, shopping at the Northgate Shopping Centre, live theatre, community festivals and events, and a vibrant nightlife. Whether you feel like a night out dancing, listening to live music, or just sitting in a pub playing pool and relaxing, the city has what you are looking for.

North Bay provides regularly-scheduled direct bus shuttle services to our three local campuses, and all full-time students receive a bus pass for travel from September through April, the cost of which is included in your tuition.

Outdoor activity consists of countless rivers, forests and canoe routes, and trail systems provide endless outdoor activities like fishing, camping, swimming, hiking, biking, canoeing, kayaking, and a variety of other sports. The city is nestled between two beautiful lakes, Lake Nipissing and Trout Lake, presenting limitless water recreation opportunities. We also have a number of golf courses, parks, indoor and outdoor ice pads, baseball diamonds and soccer fields throughout the city.

For the third year in a row, Canadore has one of the **highest graduation rates** in Ontario

“I chose Canadore after considering all of my postsecondary options because it provided hands-on training in an actual studio environment, I knew I would leave Canadore ‘ready to go’, and well-prepared to work at any TV station in Canada. In fact, on the first day of my first job placement, I was asked to edit segments to go on air. I was thrilled and I was ready.”

*Sheldon Osmond,
Director of TVO’s The Agenda with Steve Paikin*
